

## **ATTENTION RING 22 Members, Friends, and Guests!**

If you think the Super Bowl is a big deal, just wait till you experience the magic coming your way at our next RING 22 meeting – and we'd like YOU to be a major part of it! Our last meeting hosted about 30 Detroit area magicians and hobbyists (even a few thrill-seekers!) -- *let's continue the trend!* There'll be something worthwhile for everyone and you won't be disappointed! **MARK YOUR CALENDARS!**

**Tuesday, February 19, 2019 (7:15 – 10 PM)**  
**Hunter Community Center, 509 Fisher Ct; Clawson, Michigan 48017**

### **MEETING THEME: “Impromptu or Almost - Impromptu Magic”**

RING 22 provides an opportunity for everyone, ESPECIALLY YOU, to perform, whether you're new or a seasoned pro in the world of magic. Gaining real performing experience is the magical “elixir” we all need. Bring something to perform – a trick, a gag, a short story, a joke, whatever you'd like to do on the spot and impromptu — *don't pass up this chance to perform for your friends!*

### **SHOWTIME: Andy Makar**

This highly talented professional magician will be featured in a mini-performance of his unique and entertaining magic, working with coins, cards, and just about everything else to produce all kinds of interesting effects — *you'll definitely enjoy this!*

### **ROUND-TABLE CHAT: “Winning the Nervousness Game – Beating the Jitters!”**

Everyone has probably felt a little nervous before or during a performance (except me – I get terrified!). Share YOUR thoughts, tips, and solutions for a common performing issue -- *nothing beats real-life advice from other magicians!*

### **MYSTERY WORKSHOP: Nick Pudar**

Anyone who has experienced Nick's magic knows that he always performs very strong magic, including some undiscovered gems that *anyone* can learn. At this meeting he'll explain a “real worker” that you'll definitely want to use...*Be sure to bring a deck of cards with you!*

### **OPEN SESSION**

As always, there'll be plenty of “fun” time to informally share magic with everyone (and members tell us this is one of their favorite things to do at our meetings) – *get some positive and constructive feedback from magicians who know and care!*
